

West Central Connection Chorus

Chapter H-080 of the Barbershop Harmony Society

Covid-19 Preparedness Plan

The West Central Connection Chorus is committed to keeping their members and guests safe during the Covid-19 pandemic. During our weekly rehearsals, members and guests will adhere to the following guidelines:

1. All members and guests of the chorus will agree to follow and sign off on the policies of the Willmar Community Center regarding masks, social distancing, disinfection and cleaning, liability, and contact tracing information. (Please refer to the Willmar Community Center Covid-19 Plan for more information)
2. During rehearsal, all members and guests of the chorus will wear a “singers mask” during rehearsal activities. These masks are furnished by the chorus and can be obtained from the plan administrator.
3. During rehearsal, all members and guests of the chorus will adhere to the social distancing guidelines (min. 6 ft) set forth by the Minnesota Department of Health.
4. A seating chart will be implemented during rehearsal to assist with contact tracing, in the event of a positive test.
5. The chorus director will adjust rehearsal times at his discretion to limit exposure and minimise risk of virus transmission.

(Continued)

-
6. All rehearsals will be hosted on the Zoom platform, giving members and guests who are unable or unwilling to join in person, the opportunity to attend rehearsals virtually.
 7. All members and guests will be encouraged to follow best practices regarding Covid-19 transmission, including:
 - staying home if you are ill or exhibit symptoms of Covid-19.
 - proper hygiene (including washing hands and/or using hand sanitizer.)
 - avoiding close and/or physical contact where possible.
